

Steps for Your Congregation to Participate

- Step 1** Schedule to focus on the *Thrive Campaign* with your church leadership to watch a *Council Visit Presentation Video* at a mutually convenient time as soon as possible. The *Presentation Video* includes the *Thrive!* campaign video and a presentation of the campaign prospectus. (Total running time is approximately 22 minutes.) It is designed to provide you enough information to choose to select a Congregational Leader who can learn more about all the specifics of the campaign.
- Step 2** Select a Congregation Leader who will coordinate your campaign.
- Step 3** Arrange for your Congregation Leader to attend a *Congregation Leader Training Event* in your area. Check the Synod website for dates and locations of upcoming training events. Congregation Leaders will be given a full manual and complete training, plus receive printed and audio-visual materials in quantities sufficient for your congregation's membership.
- Step 4** Set a three-year *Thrive!* campaign non-binding financial goal for your congregation. (This step can be completed immediately following or during the Council Visit — Step 1.). It is requested that you consider a goal of \$125-\$250 per average worshipper which will enable the synod to reach the base goal or challenge goal.
- Step 5** Your congregation conducts a five-to-six week financial gifts campaign culminating in seeking three-year pledges from families of the congregation. (To be completed during the period of January 2020 through December 2020, although other options for your congregation's participation will be offered at the *Congregation Leader Training*, as well.)
- Step 6** Gifts and/or pledges received at the end of the five-to-six week gifts campaign will be collected at your congregation and then shared with the Synod. Your congregation will then be offered training, materials, and expertise in seeking planned gifts through your members' estate planning. This, in turn, will be followed by an effort to convert planned gifts into sustained giving that benefits the congregation and synod into the future.

Congregation Acceptance Form

Recognizing the importance of investing in stronger leaders and more vibrant congregations, and understanding the investment these funds will provide for generations to come, it is our intent to:

- _____ Participate in the *Thrive Campaign*
- _____ Choose and support a Congregation leader
- _____ Accept a campaign target goal of \$ _____
(Requested range is \$125-\$250 per avg. worshipper as a means to set the goal)

While acknowledging this is a non-binding goal, we will work hard to reach it through the participation of our congregation members and friends.
