

## In-Person Pulpit Supply List (Last Updated: 6/29/2020)

The following list is a resource to support your congregation during times when you need a supply preacher. This is a list of those who are available and authorized to provide pulpit supply in the Southern Ohio Synod. It includes, pastors, deacons, clergy from other traditions, lay worship leaders, seminarians, seminary graduates, and other candidates for rostered ministry. This list will be updated regularly so please check back before each use.

### Obtaining a Preacher for In-Person Pulpit Supply

1. Contact the potential preacher from the following In-Person Pulpit Supply List via email. Include date(s), time(s), and location. Include a copy of your congregation's COVID-19 gathering for worship plan. A phone conversation is a good next step if the potential supply person agrees. Feel free to ask about the potential preacher's COVID safety practices to see if they match your expectations for entering your community. If they do, work out the details.
2. Typically, the preacher will need the following information:
  - a. worship time;
  - b. which hymnal and service (e.g., ELW, Setting 4);
  - c. whether or not communion is planned;
  - d. a copy of the bulletin in advance (if there is a bulletin);
  - e. any additional driving directions for locations that might be challenging for GPS;
  - f. your contact information;
  - g. any additional information that you or they deem helpful.
3. You will need the following information:
  - a. the correct spelling of the supply preacher's name;
  - b. the preacher's address so that a check can be available when they arrive at the church;
  - c. phone number (especially for notification in the event worship is canceled);
  - d. any addition information that you deem helpful.

The Southern Ohio Synod Compensation Guidelines for pulpit supply are as follows:

- One Service: \$175
- \$25.00 for leading worship each additional time that same weekend
- Round-trip mileage should be paid at the IRS standard mileage rate for employee reimbursements (see [www.irs.gov](http://www.irs.gov) for the current rate).
- As a courtesy to in-person supply preachers, it is appreciated to have a check ready to give them on the Sunday they provide leadership.
